Mr William Savitt
35 Asylum St.
Hartford Conn.

Dear Mr Savitt:

I am writing first of all, to enclose check for \$100.00 in payment of the loan you made Mr Manley. Please accept my sincere thanks for it.

I dont know what to say about the trip. This was the second time we have had trouble because of the transportation difficulties. One of the league teams failed to arrive in time to play us last week, although they were traveling by train. We could have gotten to Hartford cheaper by Greyhound, but decided the cars would be more convient. I think the big mistake was the cars not sticking together. Whatever the cause the damage has been done. I do hope the fans will understand the war time conditions are to blame, and your club will not suffer as a result.

Please let me hear from you what the fans reaction has been. I dont suppose it would do any good for us to offer to come up again. If it, would we would gladly do it.

Again please accept my thanks for the loan.

Very Truly Yours
